- **Assess Education**

Our programme targets children with SEN, mostly those who need one to one support. We support our children with social skills opportunities but assess their needs so as to provide a more individualised experience. Our staff are SEN trained and have experience in a variety of strategies used to engage children with SEN such as Lego therapy to develop social interaction and inclusion and art therapy which allows them to express their innermost feelings whilst being creative and aids self-regulation. The children also engage in team building games and are taken out on activities which help

them maintain a healthy attitude but have fun at the same time including visits to the park, trampolining and soft play areas.

Given the needs of our children we have a structured daily timetable to help with understanding .. what happens next and consistency. On a daily basis we offer breakfast club with parents/carers which is group work. Children participate in messy play activities e.g. art/ sand and/or water play. They engage in a daily outdoor activity such as wildlife walks, visit to the local playground/park, or a trip to themed centres. We have one to one therapy time as well as team building/ social skills development sessions. Our holiday club aims to provide play as well as learning for children with SEN by determining the level of need/ ability and tailoring support to ensure development in areas such as speech and language for example through choice boards, PECs etc.

We are looking to provide the children with healthy lifestyle activities, simplistic ideas such as exploring the world around them, (looking at our communities locally). The community history / famous people from their area / local park visits / learning about trees as well as learning about the nature that resides within the community.

We will also be looking to offer some learning & education in support of keeping their little minds fresh around the Maths & English, offering light hearted children communication quizzes promoting working & playing together effectively. Creative Communication through Crafts, (being aware of

thoughts and feelings and how to express emotions through arts & crafts / senses and awareness as a little person).

B@1 = Bee at one with Nature with Picture Perfect looking at the Bees and the importance of ensuring their survival, we will be delivering short films looking at how Bees are not to be scared off and getting the children to understand the bees offer an important pollination contribution to our wild trees and wild flowers, which then support other insects, which then support birds, bats, mammals and everything up the food chain with food and shelter & incorporating the healthy food aspect within the sessions of learning.

We are able to accommodate children with SEND all our staff & volunteers are trained & certificated to support each individual child as well as being able to adapt to their needs when having autism / Asperger's or behavioural related issues.

Our project will provide a wide range of opportunities for children aged 4-11yrs, predominantly from Norman Pannell Primary School and St. Margaret's Anfield C of E Primary School, however we will welcome other children from the local area.

We will provide a range of fun, friendly, innovating, engaging, motivational, physical & well-being activities. Supporting wellbeing not only helps children feel happier and less anxious, but also helps them to have positive interactions with their family and friends and to learn more effectively. Our activities will also help the children to develop new skills & knowledge, as well as consolidating their existing skills and knowledge. All activities will be fun,

will help the children in socialising with others, support the development of resilience, health and well-being and will help the children to develop new skills as well as new experiences. Enriching activities will be provided daily. The activities will vary daily, to ensure a rich mix of provision and we will ensure that all activities are suitable for various ability groups, including SEND children.

Our Sports Coaches are very experienced and qualified in the various sports, and all possess Level 1, 2 or 3 qualifications in the various sports being delivered.

- **Cycle of Life**

Our half term project aims to engage children from diverse ethnic and social backgrounds in developing their cycling skills and confidence. By creating an inclusive cycling environment, we will provide opportunities for them to learn basic bicycle maintenance, like changing a punctured inner tube, and participate in regular bike rides. This initiative not only promotes physical activity but also helps build community ties, making children feel an integral part of their local environment.

We will be offering the following activities:

Cycling Level 1 Course: Basic cycling training to improve riding skills and safety awareness.

Cycling Tours: Guided bike rides to explore local areas, promoting outdoor activity and exploration.

Bubble Football: A fun and active twist on traditional football, promoting teamwork and physical fitness.

Cooking Lessons and Chef Skill Competition: Interactive cooking sessions where children learn culinary skills, culminating in a friendly competition to

showcase their talents.

Archery: An opportunity to learn and practice archery, focusing on precision, concentration, and hand-eye coordination.

Indoor Activities: Various games designed to promote teamwork, strategic thinking, and physical fitness in a fun, indoor setting.

Drama and Storytelling Sessions: Activities to boost confidence, improve communication skills, and encourage imagination.

- **Positive Futures North Liverpool**

Positive Futures are a youth development organisation. We run a youth centre in Walton, Liverpool and also deliver detached youth worker three times weekly in Walton, Anfield and Everton. We engage with young people in our community through group and one to one intervention. Our targeted support and group work (open access, trips, sessions and workshops), enables us at Positive Futures to provide opportunities for young people to develop personal and life skills.

Many of the young people who access our service have SEND diagnosis, are on the pathway, or have diagnosed but recognised characteristics that could indicate SEND. We adjust our sessions and group work depending on the specific needs on individuals accessing the group. Our youth development workers will adapt their delivery if a young person or persons SEND requirements need additional support.

- **Speke Adventure Playground - Satellite Centres & Detached**

We provide positive activities for young people, ensure free food is available, and also bridge activity/experiences/celebratory gap to better align life opportunities with children from more affluent wards. Each session is different with activities supporting being active/sport/team games, creativity/art (including art, culture and music), cookery, social themed projects, trips/excursions, free play and organised games.

Special projects will include cultural awareness and in particular Chinese New Year celebrations for the 'Year of the Dragon'.

We have skilled and qualified staff and by operating an open access service we are accessible to all and discriminate against none.

This holiday period covers the Chinese New celebrations and so we will use this theme to drive a series of targeted activities including a joint initiative with Pagoda including (calligraphy and cookery), creation of our own Chinese dragon working with a community artist, lantern making and a Chinese themed party showcasing the Chinese dragon. Popular DJ work shop sessions will be delivered, especially with older teenagers, in line with our 2023/24 annual delivery plan, 'Arts, Culture and Diversity'.

Sport and being active will run throughout the week and staff will deliver sessions to inspire and encourage participation. Trampolines will feature, football and popular team games including manhunt and tag. Young people also have the opportunity to request activities that they wish to do. Sessions also include freeplay, gaming, playground activity, general arts and crafts,

imaginative play and short minibus excursions.

Please keep an eye on our social media page for updates.

Speke Satellite Centres & Detached

Detached youth workers provide essential support services targeting children and young people who may be disengaged from local services and work with them to build/rebuild relationships to direct them back into mainstream provision, whilst discouraging anti-social behaviours. Satellite staff provide positive activities for young people, ensuring free food is available.

We are open access and all young people are welcome. All sessions will be different with sessions supporting being active/sport, creativity/art, exploration and organised games. Special projects will support cultural awareness and include Chinese New Year celebrations and Valentines.

Satellite centres will continue to deliver themed activities throughout the holidays, that will include creative art sessions around the Chinese New Year and team games to promote being active. Free food offerings will be available, so being later than the Venny sessions this offers a second opportunity for a healthy meal to ensure a sustained and continued food offer for young people living in Speke. One session from each Satellite centre will include an excursion to include bowling and trampolining.

Given the unpredictable weather during this time the detached sessions will also include an excursion, to an escape room experience and an indoor youth club session. All sessions provide free food opportunities; hot meals, packed lunches, prepared by accredited food outlets or internally, dependent on the location and nature of the session.

- **The Black-E**

Join us for a fun holiday with FREE workshops in making music, video and dance - using arts & crafts, dance, music and movement, circus and stage skills, collaborative games and the Black-E's Inflatables. We will also be exploring famous ships that sailed into our Port City. Including hot meals, fruit and healthy snacks. Open to children and young people between the ages of 5 to 16 from across Liverpool. With a family gala performance and celebration on Friday 16 February. Using crafts and materials, encourage everyone to take part in engaging and enriching activities which support the development, resilience, character, and well-being along with their wider education attainment. We very much welcome children with learning disabilities, as well as CYP who are neurodiverse and we have trained staff. We believe that no child should be left behind. Our building is wheelchair accessible; we have an induction loop and a dedicated calm binaural music space.

We welcome children of all abilities. Age range 5 to 16 years

- **Toxteth El8te CIC**

Toxteth El8te's BASKETBALL Camps are held over four days @firefithub which showcase a strong curriculum. This includes a mix of skill-building exercises, team-building activities, and game-based situations. As part of our commitment to delivering zero cost basketball provision, camp attendees are provided with TE's branded apparel and were catered for by a local meal prep company. We are the ONLY zero cost elite level basketball provision in Liverpool. No pay to play thus no barriers to development. Our programme is open to all players from across the North west and is NOT club specific - non-players are actively targeted. This allows for us to focus on elite development and the raising of standard in our local city. Ultimately, the success of a basketball camp comes down to the experience of the attendees. A successful camp should leave them feeling challenged, inspired, and excited about the game. They should leave with new skills and techniques, but also with a sense of camaraderie and a love for the game that will stay with them long after the camp is over.
