- **Daisy Inclusive UK**

Daisy Inclusive UK is a charity that helps disabled and vulnerable people and their families to reach their true potential.

In our Easter 2024 programme we will deliver a range of activities for children aged 5-16 including: Inclusive Sport and Physical Activities using reverse inclusion where activities are designed with disability in mind then non-disabled included e.g. blind football where everyone is blindfolded and the ball contains a rattle, ensuring sighted and visually impaired can play together on a level playing field. Another example would be wheelchair sports where everyone is in a wheelchair.

Example activities include football, blind football, cycling on our adapted bikes, goalball, boccia, VI cricket, running, walks in local parks.

Healthy cooking on a budget: Budgeting and money management with a shop at a local supermarket.

A trip to the Daisy Allotments, growing and harvesting food.

Healthy cooking education. Preparation and cooking of healthy meals which beneficiaries can eat or take home to share with families. Recipes to take home so that they and their families can continue to eat cheap, healthy meals.

Engaging and enrichment activities including arts and crafts, music, quizzes, games and trips.

With the ethos, 'Make them laugh and they listen, make them listen and they learn', activities are designed to be fun as well as educational, encouraging friendships, self-confidence and wellbeing.

SEND children are particularly welcome (Please note that children under 8 must be accompanied by an adult).

You can register your interest by calling (0151) 261 0309, emailing info@daisyuk.com or popping into the centre.

- **LAB Coding T/a Jam Coding Liverpool North**

At Jam Coding, we work with our partners with one important common

objective: To teach Digital Literacy. We believe that being fully Digitally Literate for the Primary School generation will be a life-skill that is central to their well-being in the future. We provide enrichment and digital safety workshops for our budding coders and computing experts. We run sessions in game-building, robotics, code quests, digital safety and citizenship, stop motion animation, minecraft challenges, and much more.

Jam Coding are passionate about addressing the Digital Divide and helping those young people from families less able to afford technology and educational opportunities to access our workshops.

The Jam Coding HAF Clubs are 50% online and 50% offline. We use technology to teach about healthy eating and provide offline materials for all of our attendees to take home that reinforce healthy eating including recipe cards and good digital citizenship / eSafety advice. We also team up with local sports, dance and activity providers for offline activities that get our children moving!

Programme outline:

Day 1: Game building - children will use software and block coding to design and create their own playable game based on the idea of healthy eating eg: fruit catcher. Physical activity - children will engage in supervised play including games such as healthy eating hopscotch and a real-life version of fruit catcher.

Day 2: Minecraft farming - children will build a farm in minecraft to irrigate and grow their own crops with a discussion of agriculture, food production and farming methods. Physical activity - children will play "minecraft football" and "creeper hide and seek".

Day 3: Stop motion animation - children will use a software and webcams to plan and shoot their own short film on the theme of healthy eating. Physical activity - an outdoor scavenger hunt and some kid's yoga

Day 4: Robotics - children will program robots to solve a maze using coding skills. Physical activity - children will play "coding conundrum" where they will take turns "coding" each other to navigate a short obstacle course.

Over the years The Methodist Centre has encouraged local young people to harness, develop and use their talents and channel them for the good of themselves, others, and the wider community. Equally to fight against racism and other restraints on personal growth or the social well-being of the neighbourhood. This has been achieved and continues to do so primarily through a dedicated Youth programme all year around. We deliver junior and senior after school youth clubs, girls and young women's work, holiday clubs, workshops, sports and Performing Arts programmes.

We aim to deliver a centre-based programme of play and youth activities for 7-15 year olds at the Methodist Youth Centre during the Easter, summer and winter holidays.

The daily activities programme for the Easter 2024 programme will consist of sports including football, athletics, games, arts and crafts, music, poetry, cookery, performing arts, quizzes and competitions and fun days out.

Additionally, we will provide hot fresh healthy food for lunch for the children providing food for all denominations and cultures. Providing for children and young people from a wide range of diverse backgrounds to share fun experiences, and break bread together. Programme activities include football, bouncy castle, arts and crafts, cookery, cake baking, play station games.

For Easter HAF we will have health and wellbeing activities, arts and crafts, board games and group games. We also give young people the opportunity to learn new skills and face new challenges throughout the two weeks. We will offer baking/cooking sessions for the young people as this is something that they may not have taken part in before and will be able to enhance their life skills.

We will also take part in many off-site activities such as rock climbing, swimming, wellbeing walks, offsite trips, games in the park and visits to some local national trust sites/walks. This is amazing for the young people as they will be outdoors and experiencing some new things for them to engage in.

Children are invited to join us at the Bluecoat for four days of creative activity during the Easter holidays. We will be running activities on Tuesday 2nd, Wednesday 3rd, Tuesday 9th and Wednesday 10th April, from 10am -3pm each day. A minibus will also be picking up in Norris Green at 9.20am and Anfield at 9.40am.

During these days, we will be working with artists to develop ideas that will inform a large-scale exhibition aimed at children & families in our galleries this summer. Each day will be an exciting mix of creative activities and will include things like sculpture, performance and printmaking as well as learning about all the other things required to put on an exhibition.

Our in-house chefs will be making a delicious lunch for the children each day and there is plenty of time for games and fun too!

To book please contact Betty Ritchie on 07597556480 or betty.r@thebluecoat.org.uk

WYCP Easter Extravaganza will offer children and young people aged 8-18 years a variety of indoor, outdoor and offsite activities to enhance their personal, social and emotional development. The programme will offer many opportunities to develop social, physical, intellectual, creative and emotional skills. Young people will have the opportunity to join in a huge range of activities such as arts and crafts, awareness sessions and cooking sessions, which may be completely new experiences for them. The programme will incorporate physical activity into the sessions, offering weekly group games and sports sessions to benefit young people's development. Offsite visits are an additional benefit for the programme, meaning when there is a trip with limited capacity, there will almost always be another session offered that young people could attend. Sessions will occur both at our centre and use local parks with our mobile youth bus – 'The Base'.
