

Creative Spaces Co.

Creative Spaces Co. brings the arts to parks, green spaces and community buildings across Liverpool. They offer three workshops to HAF providers based on the age and needs of each group. **The Story Box** brings books to life with interactive storytelling, games and crafts for children under-8. **Creative Play** sessions bring children together to play, learn and explore. **Change Makers** is an interactive placard making workshop, young people will explore the national and international history of protest and create a poster based on the issues they care about.
