

Friends of Allonby Canoe Club Liverpool

Friends of Allonby is a dynamic and challenging city-wide family and junior focussed community-based kayaking and canoeing club.

It's main centre of activities being located at the Collingwood Dock. Collingwood Dock is next door to the new Everton Stadium build on Regent Road and within the historic Liverpool Waters Development, Collingwood Dock, Regent Road, Liverpool, L3 0AH.

We are offering introductory 'taster' sessions to minimum age year 8-9 students the opportunity to come along and as a taster join in an introductory session. There are changing rooms, toilets, kitchen and an enclosed seated area within the arrangements.

Kayaking and canoeing is a dynamic, character building and sometimes challenging sport. Whilst the club covers all aspects of canoeing both recreational and competition. The club's specialism revolves around the discipline of the team game of Canoe Polo. With goals being suspended at each end on a purposely set out pitch Canoe polo is very much like playing basketball in a kayak on water. We are looking to kick start the next generation of club teams as part of the promotion.

The individual cost to participate will be £10.00 per person, per session. Sessions will need to be booked and paid for a week in advance. Participants will need to complete a consent form prior to being allowed to participate. Further detail to follow at enquiry and on booking confirmation.
