Pyromancy Productions C.I.C.
Enriching Well-Being Through Arts, Creativity, and Community

About Us

Based in Knowsley but working throughout the North West, Pyromancy Productions C.I.C. is a creative well-being organization devoted to enhancing community wellness through the arts and creative engagement. We offer immersive experiences that can combine performing arts, flow arts, crafting, and costume and prop creation—all with an emphasis on sustainability and the use of recycled materials. Our mission is to inspire environmental responsibility and cultivate artistic skills in future generations. We warmly welcome people of all backgrounds, especially neurodivergent individuals and those exploring creative activities for the first time, celebrating diversity and inclusivity in all we do.

What We Offer for HAF Programmes

Pyromancy Productions offers a range of enriching sessions tailored to the HAF programme's goals, supporting creativity, self-expression, and well-being for children, young people, and families. Popular activities include:

Flow Arts Sessions: Movement-based classes that enhance coordination, mindfulness, and joy.

Themed Arts & Craft Workshops: From seasonal decorations to costume-making, we guide participants in creating with hands and heart.

Interactive Storytelling & Performance: Bringing stories to life through performance, inspiring imagination, collaboration, and self-confidence.

Our Commitment

At Pyromancy Productions, we are passionate about providing accessible, meaningful, and joyful experiences that support holistic well-being. Our flexible programmes are designed to meet the diverse needs and interests of different groups, creating valuable engagement opportunities for participants of all ages, abilities, and backgrounds.
